

RONNIE SMITH MINISTRIES, INC.

We bring you greetings from Dothan, AL. I am writing to give you an update on Ronnie Smith Ministries. We have stopped the regular mailings due to finances. However RSM is alive and well. I want to give you a 2009 update and let you know what is coming in the fall this year.

Outdoor/Men's Ministry

We have given away around 900 DVD's that have my testimony and numerous turkey hunting tips on it. We have been getting some great comments about this production. We have given away about 2000 or so "Thrill of the Hunt" Bible Tracts. We have a report of a men's ministry beginning in a church due to a group of men watching the DVD and they said they have had several professions of faith due to the use of the tracts. Glory to God!

We had 9 opportunities to do either a Wild Game Supper or Men's Conference this spring. Between Tim Hill and me we covered 7 of the 9 invites. We saw several people make a profession of faith, some got right with the Lord and many seeds were planted. I am amazed at how God continues to use these events!

This fall I may be traveling to Indiana to speak at a Wild Game Event with several churches coming together. We will also go to edit with the next DVD. It will be a compilation of hog hunts, bass fishing, deer hunting and some turkey footage. We are looking forward to getting this one complete. Please be praying for this project. We will probably run 1000 copies at first and see how the Lord uses it.

Revival Ministry

I continue to see God at work in the area of scheduled meetings. I was able to go to North Carolina in the spring and had a great meeting with one of my dear friends.

I conducted a prayer conference in Phenix City, AL that had a special touch of God upon it. I taught 5 hours in a couple of days on the subject of prayer and walking with God. This is something I hope to get to do again. I will be in revival in the Moultrie, GA area in September and for 3 nights in the same month in Bonifay, FL. Please pray!

Orphans

Most of you know we try to send \$500.00 a month to India. This money feeds, clothes, houses, and educates 30 children and pays for 2 fulltime workers. I recently got letters from all the children who are able to write. At the end of the letter many would sign it, "Your Son," or "Your Daughter." Needless to say that will tug at your heart strings. We are three months behind due to a lack of funds coming to RSM. No one at this time gets a salary for working in this ministry. We want to continue to feed and care for these little ones. If you would just pray and see what God would have you do I would appreciate it. If He says you are to do nothing, then be obedient. If He says you are to do something then please just be listen to His voice. No gift is too small. We love you all!!!
